

## Atlas 2020 points for Kindrogan

### A. Personnel

- CM - Project Co-Ordinator - responsible to Trustees and Council - policy decisions - represents the membership.
- Pst - Project Manager - practical decisions and methodology
- AWG - does the spadework for the Project Manager

### B. Overarching plan

- Data gathering complete by 2019 –
- Publication in 2022?? - web-based and hard copy products? Beginning the process of planning outputs. Maps, data, analysis.

### C. Ongoing decisions

- Scope - critical groups, hybrids, subspecies/varieties.
- Taxonomy - consideration of appropriateness of BSBI "preferred taxonomy".

### D. Other outputs

- RPRs - defer aspiration for all VCs to have RPRs to 2022?
- Red Data Lists - UK list deferred until after Atlas 2020 - regional lists for Scotland/Ireland?
