Reichel Hall is located at SH57012 71865 on western edge of Bangor and about 0.7 mile from the railway station and the cost of a taxi from the station is about £5. Bangor has good access by road.

A preliminary programme has been prepared which will include:

- Talks on local botany and other topics of interest on Friday and Saturday evenings
- The BSBI Wales AGM on Saturday morning
- Display of books for sale
- Exhibits and posters prepared by members
- Help table: you are invited to bring specimens that you would like experts to identify

The programme will include a range of field visits to reflect this diverse and spectacular part of North Wales. Preliminary plans include Treborth Botanic Gardens and Carboniferous Limestone grassland of the Great Orme together with options such as the coastal reserve, Morfa Aber, at Abergwyngregyn, Eithinog (Brewery Fields), wet grasslands at Moelyci community farm at Treborth and upland around Cwm Idwal. Field excursions will be tailored to the weather on the day.

An important part of the meeting will be the exhibition of posters prepared by members and we are encouraging as many people as possible to contribute. This is a great way to communicate your observations and stimulate discussion. Any material that will be of interest to other members is welcome - don't worry about producing a highly-polished, scientific poster! Please indicate on the booking form the amount of space you need for your exhibit and whether you need a table or vertical space.
