

# Field Botany in vc77 - Lanarkshire

## Fieldwork Programme, 2022

Here is the outings programme for the first half of the 2022 season. You will receive any updates as the programme evolves.

(Some events planned elsewhere, or by other organisations, may be included in italics for your interest. Further details of official BSBI events, such as Workshops, can be found on the BSBI website: we would encourage you to consider extending your plant knowledge in this way.)

We are hunting for 'new finds' (things not seen in a place before) and 're-finds' (things seen in a place before, but not recently).

We normally work in **monads** (i.e. single map squares). We have listed below the map reference for the monads we are targetting (e.g. **NS5669**).

Some of the locations are remote, or suffer from restricted access or parking. It is therefore more important than ever that we know who will be present. If you wish to take part in any event, **please email or text both Michael Philip and Peter Wiggins at least 24 hours in advance**.

It would also be helpful for us to have confirmation of your mobile phone number, in case of any last-minute alterations or hitches.

Please take note of the start time: it varies from outing to outing, so do check!

Sometimes finding the meeting-place will require some navigation skills. The grid references below will be more accurate than the postcode/satnav method, especially in open countryside. Please allow enough time to arrive on time. We expect reasonable standards of time-keeping, only because latecomers hold back the group. If you know you're going to be late, please phone (the mobile numbers are given below).

Michael's car is a blue Honda Jazz and he wears a red jacket. Peter's car is a blue Toyota C-HR and he wears a dark jacket.

We recommend that you bring your own food and water with you (less crucial for afternoon or evening events).

Finally, please be aware that your participation in any of these events is at your own risk. We have indicated on the programme the kind of terrain to expect. Take precautions over clothing and equipment, and be sensible about steep or boggy ground, climbing gates or fences, and pacing yourself. If you feel uneasy about distance, terrain or time, please say so - we won't ask anyone to go beyond what they feel they can do.

Thank you, and we look forward to seeing you soon!

**Michael** email: [botany@opus44.co.uk](mailto:botany@opus44.co.uk) mobile: 07811 749296

**Peter** email: [pswiggins@gmail.com](mailto:pswiggins@gmail.com) mobile: 07951 160870

### **\*\* Remember:**

Any member of the Lanarkshire Botany network can get a 50% discount on the Grasses Workshop at Chatelherault Country Park (near Hamilton) on Sat. 25th June.

Click the link to book, book the Full ticket, and quote "Team 77" as the promo code !!

<u>Date</u>	<u>Day</u>	<u>Time</u>	<u>Where</u>	<u>What</u>
16th April	Saturday all day	10.00	Strathclyde Country Park	Making a first list in unrecorded territory
<b>NS7158</b> <b>NS7258</b>			Meet 10am carpark behind M&D complex (by northernmost tip of Strathclyde Loch) Postcode: <b>ML1 3RT</b> Grid Ref: <b>NS721583</b>	(roads, paths, woodland, riverbank, wet areas)
1st May	Sunday all day	10.00	Bertram House, near Carnwath	Two completely unrecorded monads
<b>NT0046</b> <b>NT0047</b>			Meet 10am at Bertram House complex (off A721 at Kaimend, east of Carnwath - access road very rough, with speed bumps!) Postcode: <b>ML11 8TB</b> Grid Ref: <b>NT007472</b>	(roads, tracks, woodland, open ground)

24th Sept. <b>NS8843</b> <b>NS8844</b>	Saturday all day	10.00	Lanark  Meet 10am at Braidfute Retail Park (off B7017 / A73 roundabout) Postcode: <b>ML11 7LQ</b> Grid Ref: <b>NS888434</b>	Urban recording for 'Urban Flora Project'  (streets, open ground, waste ground, railway)
8th October <b>NS7062</b>	Saturday all day	10.00	Tannochside (north)  Meet 10am at Ellismuir Way, near A752 Postcode: <b>G71 5PW</b> Grid Ref: <b>NS704623</b>	An unrecorded square to finish the season  (roadsides, rough ground, waste ground)
November (to be arranged)			<p>An informal, end-of-season, indoor get-together at which stories, photos and achievements of the year can be shared. Members of the Lanarkshire, Dunbartonshire and Renfrewshire botany networks all invited.</p> <p>Probably in West End of Glasgow. Date and venue to be decided, depending on demand. If you'd like to attend this one-off event and meet fellow botanists from across west Central Scotland, please let Michael know <u>now</u>! Then we can decide whether it's an idea worth pursuing.</p>	

Please consider taking part in one or more of the Workshops (listed in grey italic).

From the formal to the informal, payable or free of charge, whole-day or one-hour, in person or online - these all offer real opportunities to deepen your skills and fuel your interest in specialist parts of the plant catalogue.

Another thing you can help with: when on outings, please take some photos of 'people doing botany'. This is very valuable for publicity and the pursuit of funding support for the Society - and something we almost always forget to do!
