

Identiplant

Plant identification course for
beginners in serious botany

Could you be an Identiplant Tutor?

Tutors would need to:

- **be keen to train beginners**
- be experienced botanists (equivalent to FISC level 4)
- be able to communicate clearly in writing

In return, you will receive:

- **a fee for each student tutored**
- full directions on course delivery
- mentorship from our experienced tutor team

Join us on Sunday 17th September for a training workshop on Growing Identiplant in Scotland, held in Stirling in partnership with The Conservation Volunteers!
