

BSBI Grants Programme

for training, study & research

We offer Training Grants of up to £250 so aspiring botanists can attend short plant ID courses

- ❖ You don't need to be an expert to apply – a short course is a great way to get started with plant ID!
- ❖ There are short plant ID courses across Britain & Ireland, many taught by BSBI's top botanists
- ❖ Our website has a list of all the external training courses we know about
- ❖ Students on Identiplant, BSBI's online plant ID course, can also apply for a Training Grant
- ❖ Our News & Views blog features reports from successful applicants on the courses they were able to take, thanks to a BSBI Training Grant

We offer Plant Study Grants of up to £1000 to botany/ plant science students

- ❖ For undergraduate or postgraduate students for botanical research projects
- ❖ This grant covers travel, subsistence and/or consumables

BSBI Science & Research Committee offers grants to support research that enhances our knowledge of the British & Irish flora

- ❖ These grants are aimed at PhD students, academic researchers and amateur botanists working on research
- ❖ The work should be capable of resulting in a scientific publication
- ❖ Amounts vary – up to £1000
- ❖ Submit a budget as part of your application

Who can apply for a BSBI grant?

Everyone! It isn't essential to be an expert or a BSBI member if you want to apply for one of our grants - but BSBI members are prioritised in the award process.

Botanical
Society of
Britain &
Ireland

BSBI grants go live on 1st December
