

2024 BSBI Meirionnydd Naturalists' Programme / 2024 Rhaglen Naturiaethwyr Meirionnydd BSBI

The field visits to record plants are led by Jo Clark and Heather Garrett, volunteer BSBI Joint Vice-County Recorders for Meirionnydd. We welcome beginner and more established botanists to join us, so please email Jo or Heather to register for our group emails giving joining instructions etc. We meet at 10am and usually finish around 3:30 pm. Bring your lunch, drinks, and wear clothing appropriate to the weather, season and terrain. Members attend at their own risk. Please note that not all the access permissions have been confirmed so the programme may change.
