

Exhib no.	Zone	Name	Affiliation (if any)	Title of exhibit
1	A	Liz Kungu	BSBI	BSBI Handbooks
2	A	Louise Marsh	BSBI	New Year Plant Hunt
3	A	Louise Marsh	BSBI	BSBI helping you
4	A	Sarah Woods	BSBI	BSBI Photo Competition
5	A	Jonathan Shanklin	BSBI	BSBI Field Meetings 2025
6	A	Jonathan Shanklin	BSBI	BSBI Committee for England
7	A	Rachel Murphy	National Plant Monitoring Scheme	National Plant Monitoring Scheme
8	A	Fred Rumsey		Callitriche terrestris -an increasing alien established in horticultural outlets
9	A	Stephanie Holt	Natural History Museum	NHM botanical resources
10	A	Simon Norman	Field Studies Council	Field Studies Council
11	A	Louise Marsh	BSBI	BSBI grants for training, plant study & research
12	A	Chantal Helm	BSBI	Identiplant
13	A	Chantal Helm	BSBI	Field Skills Identification Certificates
14	B	Brian Laney		Free wild flower seeds and plants of some rare and scarce species including some county rarities
15	B	John Poland		Vegetative ID Quiz/ help table
16	B	Linda Pitkin		Botanical art greetings cards
17	B	Annette Williamson		Vegscapes of Ceredigion
40	B	Chris Bisson	Eden Project University Centre	Eden Project University Centre – Ecological Restoration, Horticulture and Plant Science.
41	B	David Roberts		Pollination ecology and hybridisation risk between co-occurring anthropomorphic <i>Orchis</i> species
42	B	Susan Medcalf	Surrey Botanical Society	Surrey Rare Plant Register
18	C	Ben Potterton	The Otter Trust	Plant Recovery Projects in the East of England: Suffolk Lungwort, Creeping Marshwort, Water Germander and Black Poplar
19	C	Alice Kendrick		Greenwings Wildlife Holidays
20	C	Ian Woodward		Flora of Thetford

21	C	James Egginton	Institute of Analytical Plant Illustration	IAPI
22	C	Armin Bihlmaier		First Aid Using Wayside Plants
23	C	Henry Miller		Neophytes in London: iNaturalist data vs other sources for new Vice County plant Records.
24	D	Oliver Spacey	University of Oxford/The Tree Council	mistleGO!
25	D	Roger Golding	British Pteridological Society	Exploring ambiguous morphology and unusual spore behaviour in <i>Dryopteris filix-mas</i> , <i>D. oreades</i> and their hybrid <i>D. × mantoniae</i>
26	D	David Barden		Recent brownfield finds in Glamorgan
27	D	Yusef Samari		A Black Belt in Botany? Improving Skills by Using Skills'.
28	D	Jake Dalzell		Plant pathogens of Ireland
29	D	Nichola Hawkins	Wild Flower Society	Wild Flower Society
30	D	Lauren Hinchcliffe	Lancaster University	Mapping Seagrass Meadows by Drone: a Study in South Cumbria
31	D	Jodey Peyton	National Forum for Biological Recorders	An Independent Voice for Biological Recording
32	D	Aidan Neary	Lincolnshire Wildlife Trust	LoveLincsPlants National Lottery Heritage Fund Project
33	D	Jonathan Mitchley	University of Reading	Botanical University Challenge
34	D	Astrid Biddle		An evaluation of the UK distribution of Common Spike-rush, <i>Eleocharis palustris</i> subspecies <i>palustris</i> using herbaria material
35	D	Astrid Biddle		Securing the future of Scarce Tufted-sedge ( <i>Carex cespitosa</i> ) in the UK.
36	D	Kian Hayles-Cotton	University of York	Exploring Patterns of Resilience of the UK's Woodlands

37	D	Finn Harrigan	Royal Botanic Gardens Kew Fungarium	Kew's Fungarium and Plant-Fungi Interactions
38	D	Madeleine Fyers		Going the distance: A look at how <i>Carex extensa</i> Gooden. Genetically diversifies along the north-west coast of England
39	D	Simon Harrap		Planning a user-friendly field guide - Harrap's Wild Flowers: Second edition
