

Isle of Man's Top 20

Red Campion

5-petalled pink flowers and leaves in opposite pairs.

Gorse

Yellow flowers that smell of coconut in the sun. Watch out for the prickly spines!

Red Valerian

Tall plant with clusters of red or pink (occasionally white) flowers.

Winter Heliotrope

Beautifully scented purple flowers and big heart-shaped leaves.

Daisy

A familiar white and yellow flower found in lawns and grassy places.

Smooth Sow-thistle

A dandelion look-alike but stem leaves have pointy bases which wrap around the stem.

Feverfew

Tall plant with Daisy-like flowers and very smelly leaves!

Common Ragwort

A tall plant with clusters of bright yellow daisy-like flowers.

Ivy-leaved Toadflax

Lilac flowers and ivy-shaped leaves, grows out of walls and on gravel.

Sea Mayweed

Daisy-like flowers and fleshy leaves.

Alexanders

Yellow-white umbrella-shaped flowers, glossy 3-lobed leaflets smell of celery when bruised

Groundsel

Yellow flowers, sometimes in a cluster, with no petals. Weedy places and pavements.

Lesser Celandine

Yellow Buttercup-like flowers with 7-12 petals and glossy heart-shaped leaves.

Cow Parsley

White umbrella-shaped flowers on smooth (not obviously hairy) stems; fernlike leaves.

Field Pansy

Cream or violet flowers; like a Garden Pansy but smaller.

Hairy Bittercress

Clusters of tiny white four-petalled flowers (with four stamens) and upright seedpods.

Hogweed

Big divided leaves, hairy stems, white umbrella-shaped or cauliflower-like flowers.

Dandelion

A yellow flower with jagged leaves found in lawns, grassy places and flowerbeds.

Brambles

5-petalled pink or white flowers. Watch out for the thorns!

Annual Meadow Grass

A tiny grass. We recommend you submit a photo of this one.
