

Wales' Top 20

Daisy

A familiar white and yellow flower found in lawns and grassy places.

Petty Spurge

Tiny, green-yellow, sea-anemone-like flowers are cupped by green, leaf-like 'bracts'.

Common Field-speedwell

Flower with four blue petals and hairy 'toothed' leaves.

Dandelion

A yellow flower with jagged leaves found in lawns, grassy places and flowerbeds.

Primrose

Pale yellow flower with a darker centre; crinkly leaves.

Hazel

A small tree with many branches, yellow dangly (male) catkins and tiny red (female) flowers.

Gorse

Yellow flowers that smell of coconut in the sun. Watch out for the prickly spines!

Red Campion

5-petalled pink flowers and leaves in opposite pairs.

Winter Heliotrope

Beautifully scented purple flowers and big heart-shaped leaves.

Groundsel

Yellow flowers, sometimes in a cluster, with no petals. Weedy places and pavements.

Smooth Sow-thistle

A dandelion look-alike but stem leaves have pointy bases which wrap around the stem.

Hogweed

Big divided leaves, hairy stems, white umbrella-shaped or cauliflower-like flowers.

Lesser Celandine

Yellow Buttercup-like flowers with 7-12 petals and glossy heart-shaped leaves.

Yarrow

Lots of tiny white flowers clustered into an umbrella shape. Leaves very feathery

Shepherd's-purse

A cluster of small white flowers, each with four petals, and distinctive heart-shaped seed pods.

Annual Meadow Grass

A tiny grass. We recommend you submit a photo of this one.

Hairy Bittercress

Clusters of tiny white four-petalled flowers (with four stamens) and upright seedpods.

Smooth Hawk's-beard

Tall plant with Dandelion-like flowers and leaves that 'clasp' the stem.

Ivy-leaved Toadflax

Lilac flowers and ivy-shaped leaves, grows out of walls and on gravel.

Common Mouse-ear

Tiny white, deeply divided 5-petalled flowers and leaves in opposite pairs.
