

Team Name: _____

Know Your Vice-Counties

1. In which Irish vice-counties are the following locations. (2 points each)

Lough Gill, a northern outpost for *Arbutus unedo*.

The Comeragh Mountains, where *Minuartia recurva* was found in recent years.

Lady's Island Lake, one of only 2 remaining sites for *Otanthus maritimus*.

Killard Point, a northern outpost for *Anacamptis morio*.

2. Vice-county recorders are invaluable servants of the BSBI. They have to be good at lots of things, preferably including photography. Which two Irish vice-county recorders have the following appropriate anagrams? (2 points each)

VERY IDEAL

CAMERA HANDLER

3. Complete the grid. What are the numbers of the 2 hidden vice-counties? (1 point each)
