

# Field Key to Winter Twigs

a guide to native and planted deciduous trees, shrubs and woody  
climbers (xylophytes) of Britain and Ireland  
(inc. taxa from Europe, N America, SE Asia & beyond...)

John Poland

This guide hopes to make winter botany fun and unlock a whole new world of ID! It is a fully illustrated A5 softback with detailed keys, stunning full colour photographs and diagnostic B&W line illustrations making winter ID easy for native and planted taxa.

It is available at the special pre-pub price of £15 (inc p&p for Britain, Northern Ireland & Channel Islands) for members and non-members alike until 20th August 2018. Publication due Sept 2018. EU members (inc Republic of Ireland) please add an extra £4.00. For the rest of the world, add £6.50. This is regrettably due to increased postal rates.

Please pay by PayPal via the BSBI website ([www.bsbi.org/twigkey](http://www.bsbi.org/twigkey)).  
Copies will be posted to the BSBI mailing address unless requested otherwise (non-members can fill in their address online). Payment may also be made by cheque in £Sterling only with the below form.

If paying by cheque, please send with below order form to: Gwynn Ellis (FKWT), 41 Marlborough Road, Roath, Cardiff, CF23 5BU, UK.
