Selected sites and walks with botanical interest in Midlothian
(VC 83)
© Barbara E.H. Sumner, 2014

This list is intended to assist visitors to find places where they might enjoy a walk if they are interested in wild plants. Please follow the Scottish Outdoor Access Code.

Useful maps: O.S. Explorer Maps (1:25,000 scale); Edinburgh A-Z Street Atlas.
In the list below, the O.S. grid references are for the main kilometre squares which include the site or walk, to facilitate location on the map. Further details can often be found on websites, e.g. [www.snh.gov.uk](http://www.snh.gov.uk) (for SSSIs), [www.scottishwildlifetrust.org.uk](http://www.scottishwildlifetrust.org.uk) (for SWT reserves), [www.midlothian.gov.uk](http://www.midlothian.gov.uk) (for Straiton Pond and Vogrie Country Park), [www.pentlandhills.org](http://www.pentlandhills.org) (for Pentland Hills RP), [www.dalkeithcountrypark.co.uk](http://www.dalkeithcountrypark.co.uk) (for Dalkeith Country Park) and [www.waterofleith.org.uk](http://www.waterofleith.org.uk) (for the Water of Leith Walkway).

Abbreviations: approx., approximately; RP, Regional Park; SAC, Special Area of Conservation; SSSI, Site of Special Scientific Interest; SWT, Scottish Wildlife Trust.
